Family or project background குடும்ப மற்றும் திட்ட பின்னணி	I am Mr.Sisira Karunarathna living with my family. I have a son and he is school going child. I am 30 years old. My wife & my mother are helping me to do farming, and I am a laborer. My mother also a labor. I am affected by Leprosy since 2019. We have no water facility at home, using water from a lake river. We live in Temporary mud house, and have temporary toilet. We have one acre of land, and we do home gardening during rainy seasons. We will be great full if we can have water facility at home for our daily use, for our continues gardening for our steady income, and safety of my Family for their daily use. A peace full permanent safety home for us to live, and a permanent toilet for our hygiene and dignity. My family and I will be really great full for your generous support. Thanking you.

Challenges of beneficiary பயனாளியின் சவால்கள்	At present he is tending to a garden on someone else's land as he has no water facility on his own land.
Community involvement / Beneficiary involvement சமூக மற்றும் பயனாளியின் ஈடுபாடு	Local masons and tube well contractors will build the well. The family will also help the masons during construction with excavation. KKM field staff will supervise the construction of the well.
