Family background	<p>I Akalaka Pratheep Wijesooriya living with my parents and two younger sisters who are in school. I am 26 years of age. My father helps out with farming, and do labor work. My mother and I do labor work for our living.</p> <p>I was affected by Leprosy in 2019. Now I have developed deformity on my right arm, and on physiotherapy treatment. We have no water facility at home, using water from a lake river. We live in Temporary mud house, and have temporary toilet. We have one acre of land, and we do home gardening during rainy seasons. We will be great full if we can have water facility at home for our daily use, for our continues gardening for our steady income, and safety of my sisters for their daily use.</p> <p>A peace full permanent safety home for us to live, and a permanent toilet for our hygiene and dignity. My family and I will be really great full for your generous support.</p> <p>Thanking you.</p>
